Don't be Declined for the Holidays

As we enter the holiday season, Oceanside Christopher encourages you to consider overdraft protection for your checking account, especially if you use your Visa® debit card for shopping.

Overdraft protection can help prevent disappointing or even embarrassing events from happening. Whether you are picking up cranberry sauce at the last minute or getting started with some early Christmas gifts, Oceanside Christopher overdraft protection options ensure payment is made.

OCFCU offers a variety of overdraft protection options including:

Overdraft Protection from Savings

Automatically provided for all members and allows money to be transferred from a member's savings account to their checking account in the event that their checking account has insufficient funds.

There is a fee of \$5 that is imposed when used.

Overdraft Protection from Visa

Member option for those who have an OCFCU Visa® Credit Card. Provides for a cash advance to their checking account in the event that their checking account has insufficient funds.

There is no fee imposed, but members are responsible for the interest charge on the balance of the card.

Overdraft Protection Credit Line

Overdraft Protection provides for a pre-approved line of credit that will serve as overdraft protection as well as a personal loan on demand.

There is no fee imposed, but members are responsible for the interest charge on the balance of the card.

Courtesy Pay*

Courtesy Pay is an emergency service that enables you to cover unplanned overdrafts on your checking account up to \$300.

There is a fee of \$28 for this service when it is used. You must opt-in for this service before you are able to use it.

For more information on overdraft protection options, call 516-628-8100, stop by one of our branches or visit our website at www.TheCatholicCreditUnion.org.

*Oceanside Christopher's Courtesy Pay plan is a discretionary non-contractual courtesy and is subject to change. It is not an obligation of the credit union and the credit union may refuse to provide the courtesy on any checking account at any time. The account holder does not have a contractual right to Courtesy Pay and courtesy payment is not guaranteed by the Courtesy Pay plan. Member accounts must be in good standing at time of opt in. Excessive use of the service may result in payment denial by the credit union.

Annual Meeting
Notice

Message from the President

As you are aware, we started looking into a rebranding initiative in 2015 and with the decision made, we have spent 2016 preparing for a big change.

I am proud to announce we are in the final stages of these changes and the culmination of that preparation will be unveiled in January 2017.

You may be wondering why we took more than a full year to make these changes. The truth is, if this was just a simple name change, we could have converted much earlier. We announced the new name, Ocean Financial Federal Credit Union, at our annual meeting in April 2016.

But we saw this change as an opportunity for you as well. We took the time to review all the products and services we offer and decided we could do better.

We are upgrading Online Banking, Mobile Banking and Bill Payer to provide newer and updated services. We are redesigning our website so it is easier for you to find what you need, delivers more information you are interested in and provides a quicker way for you to log into Online Banking. We are reviewing fees, products and services to ensure we are giving you what you deserve – the best possible financial institute.

As your Financial Guardian Angel, your trust and confidence in us is what matters the most.

On another note, I want to take a moment to thank Catholic Charities for honoring Oceanside Christopher at their 14th Annual Golf Classic in September. I was truly humbled as I accepted this honor on behalf of not just the employees of the credit union, but for you as well. We are able to do what we do every day because of you.

Catholic Charities is a great organization that offers a variety of programs for Chemical Dependence, Developmental Disabilities, Food and Nutrition, Housing, Mental Health and Senior Services, just to name a few. I urge you to check them out if you would like to help or if you are in need of one of their services.

We are your credit union – here for your banking needs.

Sincerely,

Joseph Garay, President/CEO

Catholic Charities

“For the first time, Catholic Charities recognized a corporate honoree at their Annual Golf Outing. Since opening their doors in 1969, Oceanside Christopher has become a go-to institution for other Knights of Columbus councils, parishes, schools, organizations and others who respect its Catholic foundation and commitment to exceptional financial products and services. Their members describe the credit union as fair, helpful, dedicated, compassionate, generous, realistic and honest. OCFUC is a business that partners with the larger community and we are enormously grateful for their special concern for the lost, the least and the lonely.”

— Laura A. Cassell, Executive Director/CEO of Catholic Charities of the Diocese of Rockville Centre
