REPORT TO THE MEMBERSHIP

Your financial well-being is at the heart of everything we do.

At Ocean Financial Federal Credit Union, we are proud of the changes we experienced in 2019 and of the ones we were preparing to make in 2020.

One of the first changes we made in 2019 was in our executive leadership. In May, 2019, Joseph Tedesco joined the credit union to lead the Ocean Financial team as the new President/CEO.

It was under this new leadership that we changed our mission from a focus on products and services to a focus on you — our memberowners:

Our members' financial well-being is at the heart of all we do at Ocean Financial Federal Credit Union. Inspired by our Catholic values, Ocean Financial strives to be a trusted partner for our members and our community.

In 2019, we made the decision not to pursue the new building located at 440 Atlantic Avenue. This was simply because we didn't feel the resources required would be of value for you. Because the need for space remained, however, we found office space for our back-office teams such as Accounting and Marketing, just to name a few. This will allow our member-facing teams to better serve you in the branches and make room for an expanded Contact Center.

The course to move forward in 2020 must move us, constantly and with a sense of urgency towards our "North Star," which is delivering long-term sustainability and growth and to be a trusted financial partner for all of you. With our member-owners in mind at all times we must focus our time, effort and resources on the things which guide us towards that goal.

That became even more true when the COVID-19 pandemic began. We acted quickly and our drive-up windows remained open to service your needs. We worked from home to ensure loans were closed, accounts were opened and we were available to assist you and answer your questions.

In 2020, we still plan to update and expand some products and launch some new ones. If there is a product you think we should have, let us know! We'll look into it and see if it's something that we can add to our current products and services.

Catholic values you can bank on.

Several years ago, when we rebranded, we made a point of adding a tagline to our logo — Catholic values you can bank on. Catholic values are what support Ocean Financial's vision & mission, shape our culture and demonstrate what is important to us.

- **1. Love:** Our priority, above all else, is our members. Ocean Financial puts the member first, ahead of all else.
- **2. Integrity:** We honor our commitments to our members. We don't take our commitments lightly; we will do everything we possibly can to meet expectations. We do the right thing, always.
- 3. Honesty: Ocean Financial demonstrates honesty by what we say and by what we do every day for our members. Being honest sets an example and influences the people around us. Honesty leads to another core value, trust.
- **4. Trust:** Trust is always doing the right thing. What is best for our members is what is best for us, too. Ocean Financial strives to be the trusted partner for our members.
- 5. Charity: Ocean Financial follows the philosophy of credit unions of "people helping people." We give back to our community and Long Island charities through time, talent and treasure: volunteering, providing assistance and aiding through donations.
- **6. Commitment:** We devote ourselves to our members' financial well-being by working tirelessly to make a difference through quality, excellence and service.

The more things change, the more they stay the same.

What hasn't changed, and what never will, is our commitment to each of you and our devotion to what makes us your credit union.

We are now in our 51st year of service to you and no matter what, or who, changes, you can count on us to make sure you remain financially healthy.

We are enthusiastic about the year ahead of us. On behalf of everyone at Ocean Financial Federal Credit Union, thank you for your continued support, loyalty and membership.

Joseph Tedesco President/CEO

Paul Wigand Chairman of the Board

SUPERVISORY COMMITTEE REPORT

The Supervisory Committee monitors the Credit Union's operations and procedures on behalf of the membership. Our responsibilities include overseeing the direction and focus of the internal audit function, initiating an annual external audit of the Credit Union's financial records and control structure, commissioning member account verification and ensuring an ongoing review of closed accounts.

Each year we have an annual audit performed by an independent CPA firm to ensure that the Credit Union's financial statement accurately and fairly presents the financial condition of the Credit Union and that Management practices and procedures safeguard members' assets.

Based on the results of the annual audit by Nearman, Maynard, Vallez, Certified Public Accountants, it is the opinion of the Supervisory Committee that Ocean Financial continues to be financially strong and operationally effective with sound policies and procedures. The financial statements as of December 31, 2019 fairly present, in all material respects the Credit Union's financial position, results of operations and cash flows.
